# VIKING HB 560 POWER TILLER / CULRIVATOR

**HB 560 Powerful for all larger areas - the VIKING tiller HB 560. Tiller / Cultivator** With the further development of the tillers, the HB 560, which is intended for use on larger areas, has also been revised. A powerful engine, many fine details and a host of ergonomic details greatly facilitate working for all discerning amateur gardeners. With a working width of 60 cm, it is positioned in the middle segment of our tiller range.
